Dear Administration,

I am writing to you as a Jewish student at theThe University of Pittsburgh, and asking that you dismiss all charges against Students for Justice in Palestine.

I demand that you stop silencing the voices of these students and continually suppressing their rights to free speech.

I demand that you dismiss all charges against SJP.

I demand that you hold yourselves accountable for the political suppression and acts of violence you have committed against students demadning that you not be complicit in genocide.

I demand transparency in conduct policies and equitable application o these policies.

I demand an end to the University's suppression of Palestinian advocacy on campus.
